## GORMAN DOWNED AT LAST

Returns Are Slow, But Lowmades  
Seems a Sure Winner.

## EXCITEMENT IN BALTIMORE

Saloons Were Wide Open and Scenes  
of Disorder Were Frequent—Efforts  
of the Authorities to Stem Lawlessness  
Not Effective—Heavy Republican  
Gains All Over the State.

(Special to The Times.)

Baltimore, Md., Nov. 5.—For the first  
time since the war Maryland has been  
carried by the Republican party.

With the assistance of the Anti-Gorman  
Democrats they swept the State and  
Lowmades is elected governor over Hurst  
by about 20,000 majority.

In Baltimore the Republicans made gains  
which even exceeded their fondest ex-  
pectations.

Democratic strongholds which were  
expected to effect the big Republican vote  
of Western Maryland joined the general  
slump and went over to the enemy.

Judicious Republicans and reformers are  
parading the streets shouting their hosannas  
and blowing tin horns. Even the  
municipal ticket which was hardly ex-  
pected to go through owing to the unpopu-  
larity of the Reform League  
candidate, is elected by a good majority.

The fight has been waged up at Democratic  
headquarters and the utmost gloom prevails  
there.

The Democrats will hardly have more  
than five members of the city council which  
heretofore has been strongly Democratic on  
joint convention. Among the Republicans  
elected is a colored physician from the  
eleventh ward, the silk stocking section of  
the city. Members of the Reform League  
claim the distinction of having prevented  
10,000 Gorman repeaters from casting  
votes at the polls throughout the city.

Seventy-one precincts out of 198, give  
Hurst 14,708, and Lowmades 16,182. The  
majority candidates run about the State.

Mr. W. Williams readily responded by say-  
ing he would not accept the office if he  
were elected by fraud, and he at once  
went out to influence Mr. Hurst, the  
gubernatorial candidate, in the same direc-  
tion.

The disturbances, however, called forth  
a protest against the slipshod methods of  
the police department. Hon. George L. Wel-  
lington, chairman of the State Senate, State  
central committee, calling the attention  
of Marshal Frey to the dereliction. Mr.  
Wellington, in a letter to Marshal Frey,  
said:

"If you do not perform your duty I will  
make it known to the people of this city  
and State, and put you in the pillory of  
public opinion. I have seen the evidence  
of your dereliction in preventing a fair elec-  
tion."

Notwithstanding the stringent orders of  
Marshal Frey, that no saloons in the  
city were wide open and a great deal of  
drunkenness characterized the day.

Several arrests were made, an occasional  
shot was fired, ballot boxes were smashed,  
and registration books torn to bits. The  
day closed, however, without a political  
death record.

The legislature will be Republican on joint  
ballot, thereby insuring a Republican  
successor to United States Senator Gibson.

IN THE COUNTIES.

Baltimore, Nov. 5.—Returns thus far re-  
ceived indicate that Lowmades has carried  
Allegany county by a majority of 1,000.  
Talbot county is expected to be carried  
to have gone Republican by 250 majority.

There were big Republican gains in Anne  
Arundel county. Eastern also shows heavy  
Republican gains. In Baltimore city the  
Republicans carried the eighth precinct of  
the Tenth ward for the first time in  
twenty years.

Returns from First and Second districts of  
Howard county give 225 majority for  
Lowmades. The other four districts will  
probably swing the majority at least to 500.  
Senator Gorman resides in Howard county.

Charles county, impression of Democratic  
and Republican leaders here are that  
Lowmades, Republican, has carried Charles  
county by 800 majority.

In Montgomery County.

(Special to The Times.)

Rockville, Md., Nov. 5.—With Bethesda,  
Olney and Wheaton yet to hear from, the  
vote in Montgomery county was as follows:  
First, 2,251; Lowmades, 2,231; Smith,  
2,418; Graham, 2,134; Crothers, 2,412;  
Cinabugh, 2,111; Henderson, 2,616; Miller,  
1,813; Chiswell, 2,529; Delander, 2,082;  
Richeson, 2,436; Darby, 2,065; Hulon,  
2,534; Lewis, 2,573; Kington, 2,955; Dawson,  
2,136; Darby, 2,502; Marlow, 2,064; Griffith,  
2,476; Warfield, 2,069; Murphy, 2,378;  
W. Marley, 2,087; Darby, 2,498; Black,  
2,061; Broady, 2,438; Kelsner, 2,011;  
Collier, 2,531; Jones, 1,866; Maddox,  
2,160; Burdette, 1,846.

WHERE WOMEN VOTE.

Colorado Only Cast Her Ballots for  
County Officers.

Denver, Col., Nov. 5.—The elections in  
Colorado were for county officers. A  
light vote was cast in many counties, due  
to a snowstorm lasting most of the day.

In the three larger counties, Arapahoe,  
El Paso and Pueblo, the Republican party  
seems to be defeated. In Denver the inter-  
est in the election was intense, and the  
fusion ticket will probably win.

Armstrong, for sheriff, is certainly  
elected over Webb, the Republican candi-  
date. The women voted about as gener-  
ally as the men.

PINGREE BY 10,583.

Detroit's Eccentric Mayor Again  
Favorite at the Polls.

Detroit, Mich., Nov. 5.—The city elec-  
tions here to-day passed off quietly. The  
weather was perfect, but a light vote  
was polled.

H. S. Pingree, the Republican nominee  
for mayor, carried the city by 10,583  
majority over Samuel Goldwater, Demo-  
crat.

The entire Republican city ticket is  
elected. A majority of the sixteen alder-  
men are Republicans.

## IN FAR AWAY UTAH.

Reports Thus Far Indicate a Strong  
Statehood Sentiment.

Salt Lake City, Utah, Nov. 5.—Nineteen  
precincts in Utah give Caine, Democrat,  
for Governor, 493; Wells, Republican, 643;  
Roberts, Democrat, Congressman, 508;  
Allen, Republican, Congressman, 627.

For Statehood, 51; against, 71. The  
reports on Statehood not given in all  
precincts.

Ogden, Utah, Nov. 5.—Twenty-four pre-  
cincts give Caine, Democrat, 747; Wells,  
Republican, 869; Roberts, Democrat, Con-  
gressman, 772; Allen, Republican, 853.

For Statehood, 538; against, 71.

It is predicted Statehood will be carried  
by from 10,000 to 13,000. No returns  
yet to base estimate on State legislature.

## PENNSYLVANIA—AS USUAL

Haywood Is State Treasurer By a  
Handsome Majority.

Philadelphia Republican Municipal  
Ticket Elected—Democratic Gains  
Are Shown in Some Counties.

Philadelphia, Nov. 5.—Pennsylvania has  
elected Haywood, Republican, for State  
treasurer, by a majority approximating  
175,000 as against 135,146 majority in  
1893 for Jackson, Republican, State treas-  
urer. The six Republican candidates for  
superior judges are elected by majorities  
slightly below that of Haywood.

The choice of the minority party's rep-  
resentation on the superior court bench is,  
from indications at this writing, either  
Herman Yerkes, of Bucks county, or Peter  
P. Smith, of Lackawanna county.

Philadelphia gives Haywood about 70,  
000 majority, with Yerkes leading the  
Democratic candidates for superior judge.

Philadelphia, Nov. 5.—Mercer county,  
Haywood, Republican, for State treasurer,  
1,800 majority; Democratic gain, 303.  
Orlady, Republican, for judge, seems to  
have run behind his ticket, and Nor-  
wood, Democrat, for judge, ahead of his ticket.  
Monroe county—Meyers, Democrat, for  
State treasurer, 900 majority; Republi-  
can gain, 664. Judges of the superior  
court run with their party tickets.

Potter county, Haywood, Republican, for  
State treasurer, 900 majority; Democratic  
gain, 26. Superior judges run about even  
with the party votes.

Philadelphia, Nov. 5.—A complete  
return has not been received at this  
hour, but enough is known to show that  
the entire Republican county ticket has been  
elected. Both parties were exceedingly  
apathetic during the campaign and the re-  
sult was apparent in the light vote cast on  
both sides.

The Republicans elect a judge of the court  
of the common pleas, district attorney, re-  
corder of deeds, city controller, coroner and  
clerk of the court of quarter sessions.

Ten out of thirty-seven wards, this city,  
show Republican gain over 1893, of 6,256.  
On the State ticket the returns indicate  
that Philadelphia will give over 65,000 ma-  
jority for Haywood, Republican, for State  
treasurer.

Smith and Yerkes, Democratic candidates  
for superior judge, are running ahead of  
their ticket in every ward in which the  
count has been completed.

Bradford county—Haywood, Republican,  
for State treasurer, 3,000 majority; Dem-  
ocratic gain, 765.

Monroe county gives an estimated Dem-  
ocratic majority of about 800, a loss of  
600 over 1893.

Montour county, estimated, Democratic  
majority 600; compared with 1893, a  
Democratic gain of 134.

Snyder county, estimated, Republican  
majority 500; compared with 1893, a  
Democratic gain of 134.

Wyoming county—Republican majority  
about 250, a loss of 43 compared with 1893.

Berks county, estimated, Democratic  
majority 6,000; same county in 1893 gave  
4,000 Democratic majority.

Blair county—Haywood, Republican, for  
State treasurer, 3,500 majority; Republi-  
can gain, 374. Reeder, Republican, for  
judge, seems to have run behind his ticket,  
and Yates, Democrat, for judge, ahead  
of his ticket.

Indiana county—Haywood, Republican,  
for State treasurer, 2,700 majority; Republi-  
can gain, 12. Orlady, Republican,  
for judge, seems to have run behind his  
ticket, and McNeel, Democrat, for judge,  
ahead of his ticket.

Wyoming county—Haywood, Republican,  
for State treasurer, 300 majority; Republi-  
can gain, 17. Smith, Democrat, for  
judge, runs ahead of his ticket.

Dauphin county—Haywood, Republican,  
for State treasurer, 8,500 majority; Republi-  
can gain, 428. Willard, Republican,  
for superior judge, seems to have run  
behind his ticket, and Yerkes, Democrat,  
for superior judge, ahead of his ticket.

## DRAKE BY 80,000.

Republicans Maintaining Their Ma-  
jority in the Hawkeye State.

Des Moines, Iowa, Nov. 5.—Iowa returns  
come slowly, as the polls generally remain  
open till 8 o'clock. Reports from the State  
indicate a generally light vote.

Scattering reports, however, show that  
through the State, the Republicans have  
gained and the Democrats lost, despite the  
falling off in the total vote.

The Populists will, from indications now  
at hand, double their vote of 35,000 a  
year ago. Last year the head of the  
Republican ticket carried the State by  
79,000. These figures will about be equalled  
by Drake, Republican, for governor.

The Republican State committee claims  
75,000 as the lowest plurality for Drake.  
The legislature will be overwhelmingly Republi-  
can; accurate estimates are impos-  
sible now.

## NEW STEAMER LINE.

Sails From Savannah Direct to Venice  
and Trieste.

Savannah, Ga., Nov. 5.—The Austrian  
steamship Tergeste departed to-day with a  
cargo of cotton and phosphate rock for  
Venice and Trieste.

This is the first steamship of the regular  
line recently established between Savannah  
and Austrian ports to sail from here.

She will be followed by the Austrian  
steamship Ischia, which is now due to load  
a cargo for the same ports.

## St. Peter's Dome Damaged.

Rome, Nov. 5.—The earthquake in this  
city on Friday last slightly damaged the  
dome of St. Peter's Church. Accents  
into the dome have been prohibited pho-  
tographing the making of repairs.

## BUSHNELL WINS IN OHIO

He Has Carried the Buckeye  
State by Probably 80,000.

## POPULIST VOTE NOT HEAVY

Coxeites Served Up Some Surprises  
for the Old Line Parties—Hamilton  
County Furnished a Shock—It Goes  
Republican Overwhelmingly and  
Completes the Victory.

Columbus, Ohio, Nov. 5.—At midnight  
Chairman Kurta, of the Republican State  
committee, sent telegrams to Gen. Asa S.  
Bushnell, candidate for Governor, re-  
sulting from the election of the whole  
Republican ticket.

Gen. Jones, of Youngstown, candidate for  
Lieutenant Governor, and to ex-Gov. For-  
ester stating that the whole Republican  
State ticket was elected by pluralities bor-  
dering close around 100,000, and con-  
gratulating them.

He also at the same time gave out a  
statement that the legislature elected  
to-day would stand as follows:

Senate, 27 Republicans and 10 Demo-  
crats.

House, 76 Republicans and 86 Demo-  
crats. Republican majority on joint bal-  
lot, 67.

These figures are probably not far from  
correct, though they may be slightly re-  
duced by later returns.

Gov. McKinley was asked by the United  
Press committee what in his opinion  
had caused the large Republican majority.

He replied the same thing that caused the  
same results in the last two State elec-  
tions—the inability of the Democratic Con-  
gress to legislate for the good of the  
country.

He said he was not at all surprised at  
the result in this State.

As the correspondent was interviewing  
the Governor a glee club was outside  
his office window singing a song that  
celebrated him for the presidency, and  
great crowds were waiting to offer their  
congratulations upon the result.

Columbus, O., Nov. 5.—As later and more  
reliable returns come in from Ohio, the  
plurality given the State Republican ticket  
seems to increase. At this hour, 1 a. m.,  
Gov. McKinley says the plurality for  
Gov. Bushnell, Republican candidate for  
governor, will reach 100,000.

He has sent a telegram to Gen. Bushnell  
congratulating him upon his magnificent  
election as governor of Ohio.

Gen. Anderson, chairman of the Demo-  
cratic State executive committee, at this  
hour admits that the face of the returns  
so far received indicate a plurality of at  
least 40,000 for Bushnell. He hopes, how-  
ever, that later returns will be more fa-  
vorable and does not yet concede the State.

It is almost certain that the Republicans  
will have a large majority on joint ballot  
in the general assembly.

EVERYTHING REPUBLICAN.

Findlay, O., Nov. 5.—Returns from a  
majority of the precincts indicate that Han-  
cock county will give Bushnell over 1,000  
plurality. The senatorial candidates in the  
Thirty-third district will have nearly as  
much and the entire Republican county  
ticket is elected.

Zanesville, O., Nov. 5.—Twenty-five  
precincts out of a total of forty-two in-  
dicate that the county will give Bushnell  
14,000 majority and that the entire Republi-  
can ticket has been elected in this county.

Mansfield, O., Nov. 5.—Mansfield com-  
plete. Bushnell, 1,738; Campbell, 1,000;  
net Democratic gain, 182. Seventeen out  
of thirty-one precincts in Richland county,  
including Mansfield, shows Democratic  
plurality of 296. Entire Democratic county  
ticket elected.

HAMILTON COUNTY GOES OVER.

Cincinnati, Nov. 5.—The Elaine Club esti-  
mates Bushnell's majority in Hamilton  
county at 12,000.

One hundred and twenty-seven precincts  
outside of Cincinnati give Bushnell 17,933;  
Campbell, 14,768. Same in 1893 gave Mc-  
Kinley 17,849; Neal, 14,795.

Cincinnati, Nov. 5.—One hundred and  
ninety-three precincts outside of Cincinnati:

Bushnell, 26,814; Campbell, 20,572. Same  
in 1893, McKinley, 26,891; Neal, 17,227.

Cleveland, O., Nov. 5.—Republican State  
and legislative ticket in this city elected  
by 6,000.

Cincinnati, Nov. 5.—Twenty-seven pre-  
cincts outside of Cincinnati: Bushnell,  
3,904; Campbell, 2,927. Same in 1893  
gave McKinley, 3,187; Neal, Dem., 2,585.

New York World says Ohio close. Bush-  
nell claims 10,000 over Campbell.

Cincinnati, Ohio. Forty-nine precincts  
outside of Cincinnati: Bushnell, 4,784;  
Campbell, 5,932. Same in 1893 gave  
McKinley 6,870; Neal, 5,905.

Republicans Win in Omaha.  
Omaha, Neb., Nov. 5.—Nearly complete  
returns indicate Republican city and county  
tickets have been elected by about 1,000  
plurality.

KENTUCKY STILL IN DOUBT

Republicans, However Claim That  
Bradley Is Elected.

Reports from Counties Show Strong  
Gains for the Republicans—Wait-  
ing on Way Back Counties.

Louisville, Ky., Nov. 5.—The exciting  
campaign in Kentucky was followed to-  
day by a quiet election. The polls closed  
at 4 o'clock, but the blanket Australian  
ballot, with unusual scratching, makes the  
counting very slow, and at 10 o'clock there  
are not enough returns from the State or  
from Louisville to base an estimate upon.

The Democrats claim the election of P.  
W. Hardin as governor by 20,000 or 25,  
000 plurality.

The Republicans claim the election of  
Bradley by a small plurality, but give no  
estimates. The returns, so far as received,  
from the State, show that the party has run  
with ticket and in a few counties ahead of  
it, and if this ratio continues, his election is  
assured.

The Republican committee claim that  
Louisville and Jefferson counties have given  
Bradley, Republican, 10,000 majority;  
Powell county, usually Democratic, gives  
Republican majority.

Harrodsburg, Harrodsburg and  
Fayette counties Democratic, but show slight  
Republican gains.

Sixteen towns give Hardin, Democrat,  
4,966; Bradley, Republican, 4,821. Nine  
additional towns give Hardin 455 majority,  
making his total majority so far 600.

At midnight Chairman Norman, of the  
Democratic State committee, lowers his  
estimate of Hardin's plurality, but still  
claims his election by a safe plurality.

Returns from about half the precincts  
indicate that the party has run with ticket  
and in a few counties ahead of it, and if  
this ratio continues, his election is assured.

## AS IN A LOOKING-GLASS

How The Times Told the Story  
of Yesterday's Elections.

## PICTURES FROM THE POLLS

Ten Thousand Enthusiastic People  
Read the Bulletins of The Times.  
Biggest Crowd Ever Assembled  
Before Local Newspaper Office—Gen-  
eral Features of the Assemblage.

Another political landslide and a monster  
mass meeting to read about it in the  
bulletins of The Times were the big local  
features of the whirling of Republican  
ballots which swept over nine States yester-  
day.

Washingtonians, men, women and chil-  
dren moved up en masse last night to the  
bulletin boards to read the story of the  
elections as it was flashed, line by line, on  
the fatal quavering. Old timers say that  
there never was such a mobilization of the  
people at night as that which was en-  
thusiastically in evidence all the way on  
Pennsylvania avenue from Ninth street to  
Fourteenth street.

Some idea of the great numbers that could  
be had from the immense assemblage which  
preferred to get its news straight and hot  
from the wires as it was given on the bulletin  
sheet of The Times, is afforded by the crowd  
say that while the other newspapers had  
their contingents of the great popular mass  
of the Democrats did not come out,  
and less than 1,500 votes, about two-  
thirds of the usual vote of the city, were  
cast.

Mr. May carried every ward in the city,  
receiving a total of 1,967 votes, and Mr.  
E. J. Lewis, the Republican candidate,  
853, giving Mr. May a majority of 704  
in the city. In the county Mr. May will also  
receive a majority.

The negroes, generally, refrained from  
voting, as but few of them knew Lewis, and  
they took little interest in the campaign.

Capt. Mashbach has no opposition in the  
senatorial district, and will be sent back  
to the State senate with a large majority.  
His vote in Alexandria city was 1,289.

Mr. Joseph Willard, for the house of  
delegates from Alexandria city, is also  
elected by a handsome majority.

Petersburg, Va., Nov. 5.—The Demo-  
cratic candidates for house of delegates  
from this county were elected. Dinwiddie  
county probably elected the "fair elec-  
tion" candidate over the Democratic candi-  
date.

MUSHBACH AND MAY GOT THERE.

Former Had No Opposition for the  
Senate.

Alexandria, Va., Nov. 5.—May, Democrat,  
for the house of delegates for Alexandria  
city and county, is elected by 600 majority.  
Mushbach, Republican, for the senate from  
this district had no opposition.

Fairfax, Prince William, Loudoun and  
Fauquier also return Democrats by large  
majorities.

White Voter Shot.

Cape Charles, Va., Nov. 5.—William  
Stevenson, white, well-known farmer,  
thirty-five years old, at Casten, Somerset  
county, Md., was shot through the head at  
the polls while trying to vote, by Samuel  
Dickerson, colored. Stevenson is not ex-  
pected to live. Dickerson made his escape.

SEAMEN RESCUED.

Picked Up When Almost Frozen and  
Landed in Georgia.

Brunswick, Ga., Nov. 5.—The schooner  
Frank W. Howe arrived at this port this  
morning from Boston, having on board  
seven shipwrecked seamen of the Ameri-  
can schooner Martin C. Ebbel. The Ebbel  
was loaded with lumber, bound from  
Jacksonville to New York. The Ebbel  
was about sixty-five miles due east from  
Cape Henry when last seen by the captain  
of the Howe. The Ebbel sprang a leak  
last Thursday during a heavy storm.

The crew were compelled to abandon  
her at about 11 p. m. Thursday. They  
left in the yawl boat and had a hard  
time of it. They were picked up Friday  
by the Howe. They were nearly frozen and  
their yawl boat was in danger of being  
swamped in the light sea.

Embezzler Makes Confession.

Bellevue Falls, Vt., Nov. 5.—Roadmaster  
A. G. Comer, of the Bennington and Rut-  
land Railroad, has confessed to misapprop-  
riating the funds of the company to an  
amount exceeding \$20,000. Comer has  
been in the employ of the company over  
twenty-five years and is a sixty-five years  
old. He has been a trusted official.

## GRIGGS BY 15,000.

Democrats Lose Much Ground in New  
Jersey.

New York, Nov. 5.—The result of the  
election in New Jersey indicates a sweeping  
victory for the Republicans in nearly every  
district, even in portions which have been  
years strongholds of Democracy. John  
W. Griggs, the Republican candidate for  
governor, has been elected by surprisingly  
large pluralities, probably by about 15,000.

Five of the seven new State senators are  
Republican, and in the assembly the Demo-  
crats have lost much ground.
